Dear Sir,

**Re: Variation of Subsidence Monitoring Programme**

I refer to Tahmoor Colliery's proposed variations to the subsidence monitoring programme for Longwall Panel 26, as per the following document:

1. Letter from Manager, Environment and Community, Tahmoor Colliery, entitled "Tahmoor Colliery Longwall 26 Subsidence Management Plan Approval – Condition 12 File No. 09/36794, dated 2 March 2011 Request for Minor Amendment to Monitoring Program" dated 18 January 2012.

Pursuant to Condition 12 of Executive Director's SMP Approval of Longwall Panel 26 (File No. 09/3679-4, dated 2 March 2011), I approve the subsidence monitoring variation proposed in the document noted above, subject to the consent of all relevant stakeholders.

Yours faithfully,
