- BC asked if committee member initials could be added to the meeting agenda to assist with identifying members assigned to actions and correspondence – **completed & closed.**
- DH to check with Council regarding the feasibility of a camera installation at Stonequarry Creek rockbar due to the misuse by vehicles and dirt bikes. Ibrahim Muharrem advised at December 2022 meeting that surveillance cameras are typically only used for illegal dumping purposes, but Council would look into this further.
- NLB to provide map location of creek remediation sites with Q4 2022 meeting minutes – **completed & closed.**
- MM to draft Annual Report and distribute to the committee prior to March 2023 meeting with the intention that the TCCCC endorse the final report at the next meeting.
- Ibrahim Muharrem advised that Council is looking at opportunities for waterways data sharing and would like to discuss this further with Tahmoor Coal about the water quality data we currently collect. IM to send through more information to Tahmoor Coal regarding the request.
